

TALLINN UNIVERSITY

School of Natural
Sciences and Health

Reg m 2.1-10/2050-2

To Whom It May Concern,

For all intents and purposes, I hereby declare that Dr. Liudmyla Kliuchko from V.N.Karazin Kharkiv National University, Department of Hyman Geography and Regional Studies, was a visiting guest in Tallinn University, School of Natural Sciences and Health from 12/06/2021 to 21/06/2021 of the 2020/2021 academic year for a Staff Training Mobility under Erasmus+ Programme.

During her stay, Dr. Liudmyla Kliuchko successfully completed the previously agreed individual Work Programme for Staff Training Mobility.

Several common meetings with Mart Reimann and other colleagues of Tallinn University have been held, meeting to explore cooperation opportunities on the scientific and educational level between both institutions has been held, meeting with NHS staff members and student representatives has been held, practical tourism and recreation activities have been organized and participated.
